YOUNES BESSA
25 years old
Web and Mobile Developer

ABOUT ME

I am a web and mobile developer based in Rouen, recently graduated with a Bachelor's degree in development. Passionate about modern frontend technologies like React, I enjoy creating dynamic user interfaces. During my two years of apprenticeship, I gained valuable experience working on various projects.
I am now looking for a full-time position as a frontend developer.

WORK EXPERIENCE

Web and mobile developer (work-study)
Tonight Pass, Rouen | September 2022 - August 2023

Developed the Tonight Pass mobile application and the Kitchen open source UI kit
